Dated: May 15, 2005

WRITTEN CONSENT

I, Victor Vaisleb am the CEO of Passave Ltd., P.O.Box 2089, Herzliya Pituach 46120, Israel, which is the assignee of U.S. Patent Application Serial No. 10/530,221, filed April 4, 2005 for Method And Apparatus For Dynamic Bandwidth Allocation In An Ethernet Passive Optical Network.

In that capacity, I hereby give my consent to the addition of Ariel Maislos and Nadav Aharony as inventors to this application.

I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application of any patent issued thereon.

Signed this 10 day of May, 2005

Victor Vaisleb, CEO
Passave Ltd.

STATEMENT OF FACTS OF CO-INVENTOR

I, Nadav Aharony, am a co-inventor of U.S. Patent Application Serial No. 10/530,221, filed April 4, 2005 for Method And Apparatus For Dynamic Bandwidth Allocation In An Ethernet Passive Optical Network. Inventor of record is Onn Haran. My name, and the name of an additional co-inventor – Ariel Maislos, were inadvertently omitted from the list of inventors, without deceptive intent.

I hereby further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application of any patent issued thereon.

Signed this 15th day of May, 2005
